

**Special personal data processing policy following the events of the ongoing pandemic in compliance with the shared protocol defining the measures to fight and contain the spread of the Covid-19 virus in the workplace and Regulation (EU) 2021/953**

**Information document pursuant to and for the purposes of Article 13 of Regulation (EU) 2016/679 (GDPR)**

Following the recent events of the ongoing pandemic, Artissima has taken a series of measures to protect the health of the subjects who access the premises of the Exhibition Centre in any capacity (i.e. visitors, suppliers, employees, consultants, guests, etc.). The measures mentioned above involve the processing of personal data, including special categories of personal data ("sensitive data"). For this reason, Artissima has set forth a policy pursuant to art. 13 of GDPR that is specific to the processing of personal data carried out when measuring body parameters. We kindly ask for everybody's attention and collaboration.

**1) Data Controller**

The data controller is the company Artissima SRL.

For any doubts or requests, you can contact the company at this address: Corso Vittorio Emanuele II, 12, Turin / info@artissima.it / +39 011-1974-4106.

**2) Type of data processed**

The "body temperature" data (so-called fever) will be processed for the purpose of this policy.

If a temperature above 37.5 °C is detected, the person will be denied access to the exhibition's premises. In that case, no personal data will be collected nor stored.

After the approval by the European Parliament on June 14, 2021, Regulation (EU) 2021/953 entered into force as of 1 July. The regulation sets forth a framework for issuing, verifying and accepting interoperable certificates of vaccination, testing and healing in relation to COVID-19 (EU digital COVID certificate) in order to facilitate the free movement of people during the COVID-19 pandemic. Those who hold an EU Digital COVID Certificate, also known as Digital Green Certificate or Green Pass, will be allowed to move freely and access public and private facilities without having to undergo further restrictive health measures.

Following the entry into force of the aforementioned Regulation, Artissima informs that, as of **6 August 2021, the general public** will be required to show a Digital Green Certificate (i.e. Green Pass). The certificate will be verified through the App "VerificaC19", developed by SOGEI for the Ministry of Health, or a different app developed for/by the Ministry of Health. These applications are used to verify the authenticity and validity of COVID-19 green certifications, according to the provisions contained in Art. 3 (1) (e) of Decree-Law No. 105 of 23 July 2021.

According to the regulations set out in Decree-Law No. 127 of 21 September 2021, as of **15 October 2021, employees, suppliers, consultants, guests and volunteers** will have to undergo the aforementioned verification of possession and validity of the Digital Green Certificate (Green Pass).

The data processed will only include the name and surname of the subjects, their date of birth and the confirmation of the validity of the certification exhibited. After checking the data contained in the application against a valid identity document of the subject, the certification is considered valid and no data

will be stored nor used for any other purpose. It should be noted that minors over 12 years of age might also be requested to exhibit the certification.

The data processed will only include the name and surname of the subjects, their date of birth and the confirmation of the validity of the certification exhibited. After checking the data contained in the application against a valid identity document of the subject, the certification is considered valid and no data will be stored nor used for any other purpose. It should be noted that minors under 12 years of age might also be requested to exhibit the certification.

**3) Purpose of the processing.**

The purpose of the processing is the prevention of the spread of Covid-19 among all those who enter the exhibition's premises for any reason, based on safety protocols, national and regional legislation and the latest update of Artissima's Risk Assessment Document for biological risk (coronavirus). Please see also the information contained in the paragraph "Type of data processed".

**4) Legal basis of lawfulness**

The general principles for the protection of health and safety in workplaces: Art. 6 (1) (c) legal obligation (Art. 2087 of the Italian Civil Code and Legislative Decree 81/08 on the protection of health and safety in workplaces) and (d) protection of the vital interest of the operators who collaborate with the Data Controller and other natural persons such as visitors.

Art. 9 (2) (b) - carrying out the obligations and exercising specific rights of the controller or of the data subject in the field of employment and social security and social protection law.

Art. 9 (2) (i) processing is necessary for reasons of public interest in the area of public health, etc.

Safety protocols to contain the spread of Covid-19 (Art. 1 (7) (d) Prime Ministerial Decree of 11 March 2020) and any subsequent additional protocols and regulations.

Regulation (EU) 2021/953 of the European Parliament and the Council of 14 June 2021.

**5) Recipients of the personal data processed**

The data will not be disclosed nor transmitted to third parties, except for specific regulatory provisions (e.g. if the Health

Authority requests access for contact tracing purposes in the event of a worker who has tested positive for COVID-19). Your personal data will be processed exclusively by personnel authorised by Artissima. At the request of the authorities, the data may be transmitted to other authorised parties as part of the investigations referred to in the paragraph "Data Retention Period".

6) **Territorial scope of the processing**

Your personal data will be processed only within the national or European territories.

7) **Data retention period**

Your data will not be collected nor stored.

Any data collection aimed at documenting exclusively the reasons for being denied access to the premises will be retained until the end of the pandemic (or until the conclusion of any judicial or extrajudicial proceedings for which such data may be considered evidence). The data may also be stored based on the regulations of the Ministry of Health or the ATS (Public Health Agency) or other bodies appointed for epidemiological investigations.

The data concerning the Green Pass verification will not be collected nor stored.

8) **Your rights**

Whenever provided for by the law, you can exercise your rights as stated by the articles 15 et seq. of Regulation (EU)

2016/679 by reaching out to the Data Controller or DPO (if present) at the contacts listed above. In particular, you have the right, at any time, to obtain access to your personal data from the Data Controller and request information about their processing as well as limit their processing. If you believe that the Controller has processed your personal data in violation of the provisions of Regulation (EU) 2016/679, you have the right to lodge a complaint with the Italian Supervisory Authority (<https://www.garanteprivacy.it/>).

9) **Legal or contractual obligation concerning the disclosure of personal data**

The provision of personal data is mandatory in the event of a request made by the data controller. Refusal to provide personal data will prevent the person from accessing the Exhibition Centre.

10) **Changes and updates to this policy**

The Data Controller may change, integrate or remove any part of this Privacy Policy at any time unless it is necessary to request your consent, where required by law. In order to keep track of any changes, the policy contains the date of the last modification.

Turin, 6 August 2021

The Data Controller: Artissima SRL
